Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 25, 2024, we certified the election by our utility member, Gunnison County Electric Association, Inc., of Morgan Weinberg to replace Mark Daily as the director representing them on our Board of Directors. Mr. Weinberg will serve on the External Affairs-Member Relations Committee.

Item 7.01 Regulation FD Disclosure.

In September 2021, we filed with the Federal Energy Regulatory Commission (“FERC”) a modified contract termination payment methodology tariff as Rate Schedule No. 281 that provides a process should a utility member of us elect to withdraw from membership in us and terminate its wholesale electric service contract with us. The tariff process includes requirements for a two-year notice and the payment of a contract termination payment to us. In October 2021, FERC accepted the modified contract termination payment methodology, to be effective November 1, 2021, subject to refund. FERC set the matter for hearing and instituted a concurrent Federal Power Act section 206 proceeding to determine the justness and reasonableness of the modified methodology.

A hearing on the modified contract termination payment methodology occurred in May 2022 before an administrative law judge at FERC. On September 29, 2022, the administrative law judge issued an initial decision that endorsed the FERC trial staff modified balance sheet approach methodology (“Initial Decision”). In October 2022, we and other parties filed exceptions to the Initial Decision.

On December 19, 2023, FERC issued an order on the Initial Decision and affirmed in part, reversed in part, modified in part, and clarified the Initial Decision in part. Generally, FERC adopted a further modified version of FERC trial staff’s modified balance sheet approach methodology, referred to as the Adopted BSA.

On March 25, 2024, La Plata Electric Association, Inc. (“LPEA”) provided us a non-conditional two-year notice of intent to withdraw from membership in us, with an April 1, 2026 withdrawal effective date.

On March 25, 2024, we issued a press statement related to LPEA’s notice of intent to withdraw from us. A copy of the press statement is attached to this report as Exhibit 99.1.

The information contained in this Item 7.01 and Exhibit 99.1 is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. In addition, the information contained in this Item 7.01 and Exhibit 99.1 shall not be incorporated by reference into any of our filings with the Securities and Exchange Commission or any other document except as shall be expressly set forth by specific reference in such filing or document.

Forward-Looking Statements

Certain statements included in this Current Report on Form 8-K that are not historical facts are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” “project,” and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, the scope and the amount of any contract termination payment and whether LPEA will withdraw. These statements are based on various assumptions, whether or not identified in this Current Report on or the exhibit hereto, and on the current expectations of management and are not predictions of actual events.
