

Standards of Conduct

NAESB Open Access Same-Time Information Systems (OASIS) Standards, Version 003.3, WEQ-001, specifically, 001-13.1.4, states the following must be “accessible from the ‘Standards of Conduct’ link displayed on the Transmission Provider’s OASIS Home Page:

Discretionary Actions under Tariff

Available on the TSGT OASIS:

> OASIS/Notices/Discretion > Filter for TP = TSGT

For 2023, TSGT’s only Discretionary Action was the annulment of TSR 101516527 at the request of the Customer. The Customer wished to secure Point-To-Point Service instead of secondary Network Service
