Through wholesale power supplier Tri-State, end consumers of members in our service territory members have access to low or no cost irrigation assessments. The report you receive provides low and no cost measures to improve irrigation coverage along with more detailed recommendations. The report meets standards of USDA's Environmental Quality Incentives Program (EQIP) or Rural Energy for America Program (REAP) that provide financial incentives that can cover over 60% of improvement costs.

**Tri-State members' end consumers can receive approximately 60% funding for installation of irrigation upgrades when using Tri-State and federal funds.
